

CALL FOR PAPERS

Welcome to the 2026 IEEE International Symposium on Information Theory (ISIT 2026) that will take place from June 28 to July 03 in Guangzhou, China!

Guangzhou, also known as Canton, is a vibrant metropolitan and the capital city of Guangdong province in southern China. It is also widely called China's southern capital. As a port city, Guangzhou is among the earliest cities that Chinese interacted with the world, with an open and friendly culture and unique heritage. In modern times, Guangzhou continues to play an important role in the country's modernization, pivoting the Guangdong-Hong Kong-Macao Greater Bay Area (GBA).

- Algebraic Coding Theory
- Coded and Distributed Computing
- Coding for Distributed Storage
- Coding for DNA-based Data Storage
- Coding Theory and Applications
- Communication Theory
- Compressed Sensing and Sparsity
- Cryptography
- Detection and Estimation
- Emerging Applications of Information Theory
- Federated Learning
- Information Theory and Combinatorics
- Information Theory and Computer Science
- Information Theory and Control
- Information Theory and Data Science
- Information Theory and Large Language Models
- Information Theory and Machine Learning
- Information Theory and Statistics
- Information Theory, Biology, and Neuroscience
- Learning and Compression
- Network Coding and Applications
- Network Information Theory
- Optical Communication
- Privacy, Fairness, and Security in Machine Learning
- Quantum Error Correction
- Quantum Information Theory
- Shannon Theory
- Signal Processing
- Source Coding and Data Compression
- Wireless Communication and Networks

ISIT 2026 Organizing Committee

General Co-Chairs

Li Chen (Sun Yat-sen University)
Pingzhi Fan (Southwest Jiaotong University)
Raymond W. Yeung (The Chinese University of Hong Kong)

TPC Co-Chairs

Stark Draper (University of Toronto)
Fangwei Fu (Nankai University)
Parastoo Sadeghi (The University of New South Wales)
Lizhong Zheng (MIT/Hong Kong University of Science and Technology)

Chinese IT Society Liaison

Baoming Bai (Xidian University)

Publication Co-Chairs

Qin Huang (Beihang University)
I-Hsiang Wang (National Taiwan University)

Publicity Co-Chairs

Guojun Han (Guangdong University of Technology)
Ayfer Özgür (Stanford University)

Panel Co-Chairs

Sidharth Jaggi (Bristol University)
Wei Yu (University of Toronto)

Satellite Workshops Co-Chairs

Meixia Tao (Shanghai Jiao Tong University)
Vincent Tan (National University of Singapore)

Tutorials Co-Chairs

Jun Chen, McMaster University
Wenyi Zhang (University of Science and Technology of China)

Recent Results Co-Chairs

Kenneth Shum (The Chinese University of Hong Kong, Shenzhen)
Huazi Zhang (Huawei Technologies Co., Ltd)

Financial Chair

Xijun Wang (Sun Yat-sen University)

Student Travel Grants and Visa Co-Chairs

Qingchun Chen (Guangzhou University)
Cong Ling (Imperial College London)
Salim El Rouayheb (Rutgers University)

Industry Co-Chairs

Jianmin Lu (Huawei)
Hao Xu (Qualcomm)

Local Arrangement Co-Chairs

Suihua Cai (Sun Yat-sen University)
Yi Fang (Guangdong University of Technology)
Ruina Lin (Sun Yat-sen University)

Webmasters

Congduan Li (Sun Yat-sen University)
Christian Senger (University of Stuttgart)

Important Dates

- Paper Submission Deadline: January 16, 2026
- Acceptance Notification: April 1, 2026
- Early Registrations Start: April 1, 2026
- Early Registration Deadline: April 17, 2026
- Final Manuscript Submission: April 17, 2026
- Tutorial Proposals Submission Deadline: February 20, 2026
- Workshop Proposals Submission Deadline: November 30, 2025
